FRIDAY EVENING, MAR. 18, 1910.

ROBBED FOR EXCITEMENT.

William O'Brien was shot and fatally wounded in a revolver duel with two policemen in East St. Louis, Ill., early yesterday morning, after he had shot and seriously injured three men in robbing two saloons.

O'Brien first walked into the saloon of F. D. Haas, where he broke up a card game and rifled the cash register. As he backed out he threw \$1.20 in change on the bar so the proprietor could continue business.

Ten minutes later he entered a saloon conducted by a woman and lined up the patrons and two bartenders against the wall. Peter Hild entered during the operation and attempted to knock O'Brien's gun from his hand. Hild was shot through the neck.

Jacob McIntyre, a bartender, was shot through the neck, and Albert Bertram, a brakeman, received a bullet in the wrist.

Three blocks from the saloon O'Brien encountered two policemen, who brought him down with wounds in his head and a bullet in his lung.

O'Brien said he robbed for excitement.

Many Requests from Catarrh sufferers who use atomizers have caused us to put up Liquid Cream Balm, a new and convenient form of Ely's Cream Balm, the only remedy for Catarrh which can always be depended on. In power to allay inflammation, to cleanse the clogged air passages, to promote free, natural breathing, the two forms of Cream Balm are alike. Liquid Cream Balm is sold by all druggists for 75 cents, including spraying tube. Mailed by Ely Bros., 66 Warren street, New York.

No More Dust.

VETERAN DUST EXTERMINATOR SWEEPING COMPOUND

is the successful result of years of diligent study and careful experiment. It is not a liquid, but is manufactured in granulated form. An every day necessity, not a luxury. It absorbs dirt and prevents dust from rising during the process of sweeping. It makes bare floors clean and smooth, saves scrubbing, kills the dust and germs, brightens up old carpets and rugs, obviates disastrous consequences of an inevitable cloud of dust while sweeping the old way.

Used on Floors, Tiles, Linoleums, Oil Cloths, Carpets and Rugs, and possesses properties that firmly grip the dust and dry-cleans them.

Practically Indispensable for Dwellings, Offices, Stores, Warehouses, Public Buildings, Schools, Colleges, Hospitals, Churches, Theatres, Halls, Restaurants, Hotels, Factories or whatever microbe-infested dust accumulates on floor space.

It is inexpensive; pays for itself by saving hundreds of dollars in damaged goods each year, and it is guaranteed to do the work of exterminating dust.

Dust Breeds Consumption. Dust is extremely disagreeable as well as dangerous, everybody admits that and argument is unnecessary. Dust is destructive, hence the necessity of using a Sweeping Compound of Established reputation and dependable quality, being guaranteed Antiseptic and a Disinfectant.

Carpets, Rugs and Art Squares

Why take up carpets and beat them to pieces when the Veteran Dust Exterminator Sweeping Compound will gradually clean them where they are and bring back their original colors on the floor without taking them up?

This sweeping Compound does not lay the dust, but removes it from the floor by absorption. No dust rises and sweeping becomes an unalloyed pleasure instead of nasty drudgery.
